March 2021

## A really big thank you

We really must thank all parents for their massive assistance and cooperation in following Government guidance during the pandemic. These have been times like no other and your support has enabled us to keep Start Right as safe as possible for children and staff.

However, it is still vitally important to continue following guidance and to be vigilant for COVID symptoms. Hopefully this won't be for too much longer.

## Just confirming some important dates:

Summer term beginning on Monday 19<sup>th</sup> April and ending on Monday 19<sup>th</sup> July

Half term is the week beginning 31<sup>st</sup> May

Bank holiday 3<sup>rd</sup> May

We are back to Start Right after the summer holidays on Monday 6<sup>th</sup> September

## Clothing for the Summer term

At the beginning of the Summer term, the weather can still be quite changeable so unfortunately, we may require a variety of clothing to come in with your child. This may range from waterproofs on some days to sun hats on other days!

A really big thank you to everyone from us, for naming all items of clothing – this has made our lives so much easier!

## Summer shows and Sportsdays

These take place in the last week of the Summer term, so we are really hopeful that restrictions will have lifted and we can invite you all to spend the time with us.

## Maypole dancing

The children will be dancing around the Maypole in May, but this will be repeated during the week of the summer show so that all parents will have the opportunity to see the children in action.

## Extra reminders

- If your child qualifies for two year old or 30 hours funded childcare from the Council, please ensure that you update your status **every three months** to ensure that you continue to receive the funding
- **If you are newly eligible for this funding, please let Jayne know your funding code and National Insurance number as soon as possible.**
- Please could you make sure that you are fully contactable whilst your child is at Start Right in case we need to get in touch with you for accidents or if your child needs to be collected if they are showing COVID symptoms. If you do change any personal contact details, please let us know as soon as possible.

Once again, thank you for all your continuing help and support – we so appreciate it.

From Caryll, Peter and the staff team.
